

**BRITISH COLUMBIA
INSTITUTE OF TECHNOLOGY**

**Research Assistant (Temporary 50% Position), Integrative Bioscience Research Cluster (IBRC),
Technology Centre
CARI Building
Faculty and Staff Association Technical CCR and Tech Centre**

As a **Research Assistant** for IBRC, your role will be to work closely with internal and external project sponsors. This temporary, part-time (50%) **Technology Centre** position requires an individual with experience in food and NHP product development and commercialization. The incumbent should have education in HACCP plan development and implementation and GMP compliance requirements for food and natural health products. Planned activities include assisting senior staff in developing product prototypes, commercializing product and training clients to meet the requirements of HACCP/GMP programs. The incumbent will be responsible for performing literature reviews, setting up statistical workplans, performing experiments, analyzing data, documenting projects and contributing towards the development of industry skills development programs. The successful candidate will participate in research projects as part of a team under supervision of senior staff and in collaboration with project partners.

Qualifications:

- Bachelor's degree or Institute of Technology Diploma in an area suitable for the work to be performed and two years' relevant work experience, or an equivalent combination of education and work experience
- Food and NHP product development and formulation experience
- Experience in developing and implementing HACCP Plans and working in a Food and/or NHP GMP compliant environment is an asset
- Experience with HACCP training, industry skills development and GMP training materials
- Strong communication skills; literature review, information synthesis and reporting (oral and written)

Term of Appointment: ASAP to May 10, 2011

Salary Range: \$43,082 to \$54,833 per annum (Placement based on education and experience; prorated, if applicable, based on percentage of appointment)
