

Beverage R&D and Quality Specialist

Company description:

Trisolutions is an incorporated, full service technical boutique consulting firm for the beverage industry. We pride ourselves on being a one-stop solution turning beverage concepts into cases on the production floor.

Job description:

We are growing quickly and are expanding our team. We are looking for:

- A recent graduate of a food science or food technology program who wants a career in beverage R&D
- Resident of the Metro Vancouver area; our lab is located in the Grandview-Woodlands neighbourhood

Primary duties and responsibilities:

As part of our formulation team you will:

- Interact with clients
- Develop new beverages from concept to launch
- Prepare new and revised formulations, product specifications, and manufacturing procedures
- Support internal and external customers
- Participate in taste test trials
- Source and evaluate new and existing ingredients
- Conduct shelf-life studies
- Travel to production facilities for audits/start ups

Qualifications:

- Graduated with Food Science Degree or Food Technology Diploma specialized in one or more of the below:
 - R&D
 - Beverages
 - Sensory
 - Fermentation
- Highly developed problem-solving and analytical skills
- Strong communication and presentation skills
- Proficient with MS365
- Self-motivated and able to work independently as well as in a team environment
- Extremely organized and detailed oriented
- Works well in a fast-paced entrepreneurial environment

Hours: 40 hours per week, Monday to Friday between 9:00am–5:00pm; overtime hours in the evening and/or on weekends may be required. All work is performed on-site in Trisolutions' lab.

Job Types: full-time, permanent

Compensation: Trisolutions offers a competitive salary, a benefit plan and profit sharing.

COVID-19 considerations: We are committed to the health, wellness and protection of our team. Each of our team members chose to get fully vaccinated.

Apply: If you are interested in joining our team, please submit your application to david@trisolutions.ca This posting will remain open until the position is filled.

We understand applying to a new role takes time and we appreciate your application. We look forward to hearing from you!
